Dear Parents/Friends

## **Newton Longville School**

# **50/50 CLUB**

### **Your chance to win a cash prize each month and raise funds for school.**

To participate you purchase a number at a cost of £2 per month. Your allocated number will then be entered into the draw which will take place around the end of each month in assembly.

50% of the funds raised will be donated to the School with the remaining 50% paid out as prizes to the lucky winners. We're aiming to recruit 100 people which would mean a first prize of £100 per month; if we exceed these numbers we will consider introducing a second and possibly third prize. So the more people that join the bigger the rewards!

The first draw of the year will be in September 2011 and will run monthly up to and including August 2012 (this draw will be held together with the July draw). We will renew on an annual basis if it continues to be a success.

To purchase a number, please fill in attached form, you may purchase as many numbers as you wish but a separate form must be completed for each number required. Once we have received your payment we will return your copy with your allocated number. Further forms are available from outside the school office.

Be Lucky!!!!
