

## **HOUSE CHALLENGE**

We are starting the year with our first House Challenge which we hope you will be able to help your child with. All children who complete will get a house point for their house and of course there will be mega points for 1sts, 2nds and 3rds.

The challenge is:-

### **‘A VERY SPECIAL RECIPE’**

We have asked the children to share a recipe which is very special for some reason. It may be that it reminds the family of somebody or an event, holiday etc. Or it may be that it is something that the family particularly love. However, we would like it to be in some way unusual, rather than “bangers and mash “or such.

The recipe needs to be written out neatly, accompanied by a photo or picture and also an explanation of why it is so special.

These are to be brought in to school on **Friday 16<sup>th</sup> September** when the judging will take place, and handed in to their teacher. Unfortunately we are unable to sample the cooked dishes so you do not need to make them up as well. Please remember your child’s name, class and house colour need to be on the back of the entry.

The winning recipes will be passed onto St. Faith’s Church who are making up a Special Recipe Book which will be on sale for Christmas. They will include chosen winners in the book!

We haven’t included our Foundation Stage children in the challenge as it is so early in the term, but of course they can look forward to future challenges.

We look forward to some very, very interesting and yummy ideas.
