Dear Parents/Guardians

We are the new Junior Road Safety Officers (JRSO's) we are:

Niamh, Sophie, Tyler and Mason

We will be working with our local Police Officers and Police Community Support Officer (PCSO) Alex Trivino, to promote a safer environment for children travelling to and from school.

As JRSO's we are going to tackle the issues of most concern to the local community, working towards improving safety around the school.

Some of these concerns are:

The parking on the pavements and corners around the school.

Parking on the zig-zag lines outside school

Not using the one way system.

We would ask for your support as much as possible, next week and in the future, with parking away from the school in the areas provided and walking, cycling or scootering.

Many thanks

The JRSO's
