

AS COMPUTING EXPERTS...

We will be developing our programming skills (1 of 2 units). Pupils will create programs by planning, modifying, and testing commands to create shapes and patterns. They will use Logo, a text-based programming language.

AS ATHLETES...

We will be continuing to develop our swimming skills (Tuesday afternoons - Please make sure that a full swimming kit is in school). We will also be developing skills in gymnastics through a unit called 'Levels and Directions'.

AS SCIENTISTS...

We will be looking at how sound is made and how we are able to hear sounds. We will discover what different frequencies and volumes look like in sound waves and consider how sound waves travel through solids, liquids and gases. We will be investigating the structure of the ear and looking closely at how pitch and volume can be altered.

AS DESIGNERS...

We will be completing a DT unit entitled 'adapting a recipe' where we will be designing and making biscuits.

AS WRITERS...

We will be learning how to write persuasively using language techniques such as hyperboles, rhetorical questions and emotive language. We will also be developing our recount skills, imagining we are Howard Carter, unveiling King Tutankhamun's tomb for the very first time. We will continue to plan our ideas using SPO templates, consider adventurous word choices and develop our note-taking skills.

HOW CAN WE REDISCOVER THE WONDERS OF ANCIENT EGYPT? PUFFIN CLASS - AUTUMN 2

AS HISTORIANS...

We will continue to delve deeper into the life of the Ancient Egyptians, looking at 'The Book of the Dead' and the afterlife. We will also be looking at other ancient civilisations, making comparisons across them. Egyptian trip to Bradwell Abbey will take place on 26th November.

AS MATHEMATICIANS...

Children will be learning how to multiply and divide with increasing efficiency. Applying their knowledge of multiplication facts, children will learn how to multiply using a formal written method and how to divide using the 'bus stop' method. We will also be developing our measuring skills, looking at mm, cm, m and km.

AS LINGUISTS...

We will be looking at 'En Classe' (the classroom). Pupils will learn to name and ask for classroom items.

AS THEOLOGISTS...

We will be answering the big question: How and why has Christian practice changed over time. We will also be practicing for the KS2 Christmas Carol Concert.
