Dear Parents and Carers,
This is our home learning topic grid for this half term. Please help your child choose a home learning task from one of the boxes. I hope your child has fun, takes pride in how they present each task and enjoys their home learning! Photographs showing practical task are always welcome. There is an extension for each task if your child would like a challenge.
Don't forget to read 5 times per week and aim for 10 minutes on Numbots 😊

Year 2 Home Learning Grid: What do we know about Bonfire Night? (Autumn 2)

<table>
<tr>
<td>
<u>Bonfire Safety</u>

Can you design an information poster to promote firework and bonfire safety? You could include a catchy slogan to help people remember what to do!

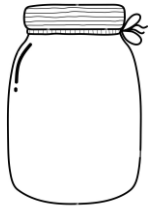

Extension – Can you add a title, subheadings and images with captions to your poster?

</td>
<td>
<u>Art/Design and Technology</u>

Can you create a picture or a 3D sculpture of a firework display? Be as creative as you can possibly be!

Extension – Can you describe the sounds each firework in your display may make using onomatopoeias?

</td>
<td>
<u>Science Experiment</u>

Can you create a firework in a jar? Watch this video and make one of your own.

<td>**Date completed:**</td>
</tr>
<tr>
<td>
<u>History</u>

Can you create a fact file about Guy Fawkes?

Extension – Can you include a title, subheadings and lots of fantastic expanded noun phrases in your fact file?

</td>
<td>
<u>English</u>

Have you ever watched a firework display or been to a bonfire? Can you write a recount of your experiences? It would be fantastic if you could include some photos or drawings of your experience alongside this!

Extension – Can you include time adverbials such as first, then and next in your recount?

</td>
<td>
<u>Research</u>

Can you find out about a celebration or festival where people might use fireworks? Create a poster showcasing all of your findings!

Extension – Can you include a sentence containing a conjunction in your poster?
