

Puffin Class Home Learning Grid- Autumn 2 2026

Dear Parents and Carers,

This half term we are continuing with our learning about the Egyptians and the tasks on this grid link to that topic. Please help your child choose a home learning task from one of the boxes. We hope your child has fun, takes pride in how they present each task, and enjoys their home learning 😊

Model making: Create your own model of a sarcophagus or pyramid using whatever materials you have at home. Extension: Add labels to your model to show the different parts. 	Fact files: Research 2 different Egyptian pharaohs. Create a fact file for each of them including a picture, dates they were alive/ ruled, what they were famous for and what dynasty they belonged to. Extension: Can you find out who the longest ruling pharaoh was? Who was the first ever Egyptian Pharaoh? How did people decide? 	Poetry: Create an acrostic poem about Ancient Egypt. Each letter of the poem starts with the letters in 'Ancient Egypt'. Extension: Perform your poem to an audience at home and ask for some feedback. Which parts did they enjoy the most? 
Date Completed:	Date Completed:	Date Completed:
Instructions: We have discovered the game of 'senet' inside King Tutankhamun's tomb. Research how to play this game and write a set of instructions for how to play it! Extension: Could you make your own version of the game using card/ recycled material? 	Newspaper: Write a newspaper article about the discovery of King Tutankhamun's tomb by Howard Carter (imagine you are writing the newspaper in 1922). You can create this by hand or using ICT skills. Extension: Can you think of a snappy headline and appropriate picture to include in your article? 	DT: Research the Ancient Egyptian invention: a shadoof. Draw a clear diagram of this invention and label it clearly or write an explanation of how it worked. Extension: Create a model of the shadoof using materials you have at home.
